

## You don't have to be a ham to enjoy SSTV!

Since Robot's SSTV equipment transmits images over the phone line as well as the ham bands, why not give your mother and father, or grown-up children a Robot Monitor for Christmas.

When you call them on the phone or via phone patch, you could transmit all kinds of things to them. Like images of your children or their report cards, your house, your new station, your Christmas tree, last night's snowfall, family documents, etc.

**Working SSTV on the ham bands is fascinating.**

But if your closest relatives had a Robot Monitor connected to their

phone, you could multiply the pleasure you obtain from your SSTV equipment a hundredfold.

**And just think: your parents or children would be the first ones on their block with PICTURE TELEPHONE!**

That in itself is worth the investment. Write for our free brochure on SSTV and the Robot Camera and Monitor. If you act soon, we can assure delivery before Christmas!
